Introduction

I am pleased to announce that Jacqui Rogers has joined GATF as Administrator. Jacqui is in the office in the mornings, Monday to Friday and is dealing with the day to day work. I am still doing the book keeping. GATF shares the office space with the Steiner Waldorf Schools Fellowship, so I am in the office daily when not in meetings.

During this year we have reviewed GATF policies, procedures and forms and hope they will be user friendly. We are in the process of developing a new student database in conjunction with an HND student from Stourbridge College and have upgraded our financial programme to enable statements to be sent by email.

If past and present students have art work, photographs or reports they would like to submit for possible inclusion in the next annual report, please send them to Jacqui.

Mrs Sally Schad resigned at the AGM in October 2009 after fourteen years' service as a Trustee. We thank Sally for her support and wish her well for the future.

We welcome Michael Mehta who became a Trustee in May 2009. Michael trained as an eurythmist with the help of a Godparents' loan and is a member of the Council of Eurythmy, Eurythmy Therapy and British Osteopathic Associations.

If you are interested in becoming a Trustee, please get in touch.

The Trustees are:

Johanna Baker
Agneta Calderwood
Angela Clark

Gabriel Kaye
Tom Leonard
Michael Mehta

The Trustees are very grateful for the continuing donations and support given by organisations and individuals who send donations to the Training and Children's Funds. See page 9 for ways to donate.

Mission Statement

The Godparents Anthroposophical Training Fund (GATF) was founded in 1968 as the Godparents Association. GATF is a registered charity offering interest free loans and grants for tuition fees to students undertaking designated Anthroposophical vocational training courses in the UK.

GATF also operates the Children's Fund. This fund offers loans and grants for children's tuition fees to assist families in short term financial difficulties to keep their children in Steiner Waldorf education.

For further information see pages 5 and 8.

Investment policy

GATF operates a policy of ethical investment and holds the majority of its cash reserves in the Charities Aid Foundation (CAF) Bank. The Charities Aid Foundation is a registered charity that works to create greater value for charities and social enterprise.

From a Hibernia student:

"May I take this opportunity to express my gratitude to you for your help over the years. I am happy to tell you that am about to be in my FINAL year, my sixth year. To be on the course for this duration, in addition to the fact that English is not my first language and the distance which I travelled each week have been a real ordeal but I am truly grateful for the wonderful learning I received at Hibernia. Thank you very much."

From an email sent by a Steiner Waldorf Education student:

"I am a student at the University of Plymouth studying a BA Hons Degree in Steiner Waldorf Education. Unfortunately, the funding I was anticipating to pay my course fees has not materialised. As a result I am hoping that you may be able to help me with the funding"

Thank you so very much for all your help and time. You have been more than fair, kind and generous to me and I whole heartedly appreciate it."

Children's Fund

The Trustees will only consider applications from a Steiner Waldorf School or Kindergarten, who recommend a family for support. Application forms are sent to all qualifying educational establishments in March each year. The Trustees consider the applications in May and funds are paid to the school or kindergarten in September for that academic year.

- ✧ The Trustees will not consider applications direct from parents.
- ✧ Priority is given to those families who have a short term need due to reasons beyond their control such as bereavement.

For the academic year 2008/09 we were able to support 19 families in 13 schools and kindergartens with grants of £22,110.

Extracts from letters from parents:

“Please accept my heart felt thanks for your kind and generous award to assist my child in his schooling. Your assistance has helped to ease the burden and for your kindness I am truly grateful. Thank you.”

“I would like to write to express my deep gratitude for your support. It has been a deeply challenging year for us all and the grant that you have given us towards our children's school fees will help us so much.

I feel blessed that we are held within such a loving community and am so grateful that my children can remain at the school, it brings so much to all of us. With the support of so many from the school we are starting to rebuild our lives. I am getting a sense of a deeper inner strength, falling so far reveals so much. I am hopeful that as time goes on I will continue to grow and be able to support the children on their journey through the school. Thank you for helping to keep my dreams alive.”

From a West Midlands Eurythmy student:

“You have no idea how important and good your support is! I am doing my 4th year and as part of the course we had to give 3 weeks teaching practice which I decided to do in my own country, Venezuela. It was a very challenging but marvellous experience because the National School of Dance opened its doors to me and I gave a eurythmy workshop to their students. It was fantastic because it gave me a huge perspective of all that can be done with Eurythmy at other levels of society and it also inspired my 4th year research project “Relationship between colours, planets and music”. I would like to invite you to our end of year performance. I really hope you can make it!”
